We are seeking outstanding submissions for presentation in a Work in Progress (WIP) session at the 2015 Spring Simulation Multiconference (SpringSim 2015). These papers should present work that is currently in progress or not quite ready for full-length articles.

Student papers are especially welcome as this track provides an excellent forum for graduate students to present and get feedback for thesis, project or dissertation work. All papers will undergo a review by the Symposium Chairs and accepted papers in this track will also be published in the SpringSim’15 conference proceedings.

**Topics**

Paper submission for WIP’15 is encouraged in any modeling and simulation related areas including but not limited to the below:

- Computer/Communication Networks with Special Emphasis on Modeling and Simulation
- Numerical Simulation and Optimization as Applied to Business and Industry
- Use of Modeling and Simulation in the Area of Computer Security
- Modeling and Simulation in the area of Neural Networks
- Modeling and Simulation related to Image/Video Compression/Processing and Robotic Vision
- Any Aspect of Modeling and Simulation related to the Military Modeling, Analysis and Simulation of Telecommunication Systems
- Web-based Modeling and Simulation
- High-performance Computing and Simulation
- Network/Internet Traffic Modeling and Workload Characterization
- Simulation Languages, Tools, and Environments
- Simulation of Parallel Systems, Distributed Systems and Databases
- Simulation of Clusters, Grids and Wireless Systems
- Simulation of Multimedia Applications and Systems
- Modeling and Simulation of Real-Time and Embedded Systems
- Simulation Methodology, Theory and Philosophy
- Parallel and Distributed Simulators and Simulation Techniques
- Application of Modeling and Simulation in Biology
- Discrete Event Modeling and Simulation

**Deadlines**

- Paper Submission – January 9, 2015
- Notification of Acceptance – January 24, 2015
- Camera-Ready Paper Due – February 10, 2015
Submission Guidelines

For the Work in Progress track, prepare a 4 to 6 page paper using the Paper Formatting Guidelines for the conference. Each paper must have the designation “WIP” in the title. All final paper submissions are to be made electronically to SCS via the SCS Conference Proceedings Management System at: http://www.softconf.com/scs/SpringWIP15/
