Spring Simulation Multiconference 2008 (SpringSim'08)

in collaboration with
[ACM/SIGSIM](#)

April 14 - 17, 2008

[Crowne Plaza Ottawa Hotel](#)
[Ottawa, Canada](#)

General Chair
[Dr. Hassan Rajaei](#)
[Bowling Green State University](#), USA

Vice General Chair
[Gabriel A. Wainer](#)
[Carleton University](#), Ottawa, Ontario, Canada

Program Chair
[Michael J. Chinni](#)
[US ARMY - RDECOM - ARDEC](#)

Tutorials Chair
[Prof. Axel Lehmann](#)
[Universitaet der Bundeswehr Muenchen](#)

Poster Chair
[Abdolreza Abhari](#)
[Ryerson University](#), Toronto, Ontario, Canada

Awards Chair
[Dr. Maurice J. Ades](#)

The 2008 Spring Simulation Multiconference (SpringSim'08) is an annual conference sponsored by The Society for Modeling and Simulation International which covers state-of-the-art developments in computer simulation technologies, as well as scientific, industrial, and business applications. Areas covered include high-performance computing technologies, models and algorithms, GUI visualization technologies, communications and much more. Application disciplines covered include advanced telecommunication; computer systems; military, government & aerospace; energy, and other industries. The conference includes keynote speeches presented by technology and industry leaders, technical sessions, professional development courses and seminars, as well as vendor exhibits. Scientists, engineers, managers, educators, and business professionals who develop or use simulation tools are invited to participate and present original papers. Proposals are solicited for papers, panels, tutorials, workshops, seminars, exhibits, social activities and for other presentation, discussion and sponsorship formats. People are always welcome to benefit by taking an organizing role. SpringSim'08 offers many ways to promote simulation products and to enhance corporate images. You are invited to use the Spring Simulation Multiconference in ways that best serve your interests.

All accepted papers will also be published in the ACM Digital Library.

- ## [Wrap-Up](#)

- **Conference Keynote**
  - [Simulation and Cognitive Engineering: The Use of Synthetic Environments to Design and Evaluate Human-In-The-Loop Systems](#)
    - [Dr. Chris M. Herdman](#)
      - **Professor:** [Department of Psychology](#) **and** [Institute of Cognitive Science](#)
        Director: [Advanced Cognitive Engineering (ACE) Lab](#)
        Scientific Director: [Centre for Advanced Studies in Visualization, Simulation and Modelling (VSIM)](#)

- [Final Program](#)

- [Tutorials](#)

- [Authors -> Presentation Lessons Learned](#)

- [Exhibitor Materials & Information](#)

Westinghouse Savannah River Company, USA

Exhibits & Publicity Chair
David Long
SAGETEA Group
