

The Huntsville Simulation Conference 2008

21 October 2008 - The Advanced Research Center (ARC)
22 - 23 October 2008 - [The Huntsville Marriott Hotel](#)

Sponsored by
[The Society for Modeling and Simulation International](#)

Hosted by:
[The Alabama Modeling and Simulation Council \(AMSC\)](#)

The Huntsville Simulation Conference (HSC) is an annual conference located in Huntsville, Alabama with international participation. Abstracts and papers are accepted only in electronic form. The final unclassified proceedings are available on CD and in print. The HSC seeks technical papers, briefings, tutorials, panel discussions, session organizers and session chairs in a wide range of topic areas.
