

CALL FOR PAPERS

SPRINGSIM'19

Spring Simulation Conference 2019

APRIL 29 – May 2, 2019
University of Arizona, Tucson, Arizona

The **2019 Spring Simulation Conference (SpringSim'19)** is an annual conference sponsored by The Society for Modeling and Simulation International (SCS), which covers state-of-the-art developments in Modeling & Simulation (M&S). Springsim'19 invites original contributions to the theory and practice of modeling and simulation in any scientific or engineering discipline including but are not limited to:

- Simulation in Healthcare and Medical Systems
- Simulation in Augmented and Virtual Environments
- Human and Social Simulation
- Simulation in Aviation and Aerospace
- Simulation in Machine Learning and Artificial Intelligence
- Simulation for Cybersecurity and Cyber-Physical Systems
- Simulation for Social Networks
- Cloud-based and High Performance Simulation Environments
- Simulation in Advanced Manufacturing and Industry 4.0
- Advanced and Visual Analytics for Simulation
- Simulation for Training, Decision Support and Policy Analysis

The conference includes keynote speeches presented by technology and industry leaders, technical sessions, professional development tutorials, as well as vendor exhibits. Scientists, engineers, managers, educators, and business professionals who develop or use M&S methodologies and tools are invited to participate and present original contributions.

IMPORTANT DATES

Paper submission	December 16, 2018
Author notification	February 8, 2019
Camera-ready	February 22, 2019
Workshop proposals	September 28, 2018
Tutorial proposals	October 28, 2018
Short paper submission	February 15, 2019
Ext abstract submission	February 15, 2019
Demo proposals	February 15, 2019

Authors of accepted papers are expected to attend the conference, present their work to their peers, transfer copyright, and pay a conference registration fee at the time their camera-ready paper is submitted. Conference proceedings will be submitted to the [ACM Digital Library](#), for archiving and indexed in DBLP and SCOPUS. (Some exceptions apply).

Submission of the following types of contributions and/or proposals are also welcome:

- *workshops*
- *tutorials* (max 2 hours)
- *short papers*, describing early research efforts (max 6 pages)
- *extended abstracts* (max 2 pages)
- *live demonstrations* to be given during the conference

Visit the conference website at scs.org/springsim to get the list of SpringSim'19 symposiums and tracks, and to get full details about the submission procedure.
