Annual Modeling and Simulation Conference 2023

## MAY 23 – MAY 26, 2023

Mohawk College, Ontario, Canada

The **2023 Annual Modeling and Simulation Conference (ANNSIM'23)** is the annual flagship conference sponsored by The Society for Modeling and Simulation International (SCS), which covers state-of-the-art developments in Modeling & Simulation (M&S).

We are seeking proposals for workshops and tutorials, which can be scheduled for 90 minutes, 120 minutes, a half-day, or full day. The conference and the workshop/tutorials are scheduled to take place in person at Mohawk College in Ontario, Canada.

### SUBMISSION

Proposals should be one to two pages and must include the following information:

- Title of the workshop/tutorial and description (max 2 pages)
- Organizers and their affiliations (including short bios)
- Expected duration of the workshop/tutorial: 90 minutes, 120 minutes, a half-day, or full day.
- If the proposal type is:
  - **Workshop:** provide sample call for papers, including workshop main topics.
  - **Tutorial:** provide an abstract of the tutorial (up to 2 pages). A tutorial may submit a full paper to one of the related technical tracks and if accepted after peer-review, it will appear in the conference proceedings.

These proposals should be submitted to the tutorial track in the conference system. Please visit <https://mailchi.mp/scs/2023-annsim> for details on the conference and the submission procedure.
