The 2023 Annual Modeling and Simulation Conference (ANNSIM’23) provides a high quality forum for scientists and engineers to present their latest research findings in this rapidly changing field.

We are seeking proposals for workshops and tutorials on Tuesday, May 23, 2023. Workshops and tutorials may be scheduled for a half-day/ full day or less. Currently, the conference and the workshop/tutorials are scheduled to happen physically at Mohawk College.

Proposals should be one to two pages and must include the following information:

- Title of the workshop/tutorial and description (max 2 pages)
- Organizers and their affiliations (including short bios)
- Expected duration of the workshop/tutorial; i.e., half day, full day or less
- A tutorial may submit a full paper to one of the technical tracks.
- If proposal type is:
  - Workshop: provide sample call for papers, including workshop main topics
  - Tutorial: provide abstract of the tutorial

Submission of workshop or tutorial proposals (1 to 2 pages) should be submitted to the tutorial track chair.
