

ANNSIM'23

Annual Modeling and Simulation Conference 2023

MAY 23 – MAY 26, 2023

Mohawk College, Ontario, Canada

Sponsor Prospectus

Hosted by The Society for Modeling and Simulation International (SCS), the Annual Modeling and Simulation Conference (ANNSIM) is the SCS Conference to cover state-of-the-art developments in Modeling & Simulation (M&S). We invite original contributions to the theory and practice of modeling and simulation in any scientific or engineering discipline. The conference includes keynote speeches presented by technology and industry leaders, technical sessions, professional development tutorials, as well as vendor exhibits. Scientists, engineers, managers, educators, and business professionals who develop or use M&S methodologies and tools are invited to participate and present original contributions. Accepted papers will be submitted for inclusion into ACM and IEEE Xplore subject to meeting ACM and IEEE Xplore's scope and quality requirements.
