

## ANNSIM'25

Annual Modeling and Simulation Conference 2025

**MAY 26 - MAY 29, 2025**

Complutense University of Madrid,  
Madrid, Spain

The **2025 Annual Modeling and Simulation Conference (ANNSIM'25)** is the annual flagship conference sponsored by The Society for Modeling and Simulation International (SCS), which covers state-of-the-art developments in Modeling & Simulation (M&S). ANNSIM'25 invites original contributions to the theory and practice of modeling and simulation in any scientific or engineering discipline including but are not limited to:

- Annual Simulation Symposium (ANSS)
- Cyber Physical Systems and Digital Twins
- Humans, Societies and Artificial Agents (HSAA)
- Machine Learning and AI in Simulation
- High Performance Computing and Simulation (HPC)
- M&S in Medicine (MSM)
- Theory and Foundations for Modeling and Simulation (TMS)
- Simulation for Architecture and Urban Design (SimAUD)
- Simulation in Education and Training
- Communications technologies and Network Simulation (CNS)
- Modeling and Simulation for Sustainability and Smart Energy Systems
- Ph.D. Colloquium
- **Other Simulation Areas of Interest:** Discrete M&S, Continuous M&S, Monte Carlo M&S, System Dynamics M&S, Gaming-based M&S

The conference includes keynote speeches presented by technology and industry leaders, technical sessions, professional development, and tutorials. Scientists, engineers, managers, educators, and business professionals who develop or use M&S methodologies and tools are invited to participate and present original contributions.

Authors of accepted papers are expected to attend the conference, present their work to their peers, and pay a conference registration fee at the time their camera-ready paper is submitted. Accepted technical papers will be submitted to numerous digital libraries such as ACM Digital Library (approval pending) and IEEE Digital Library (approval pending). Please visit <https://scs.org/annsim/> for more details.

### SUBMISSIONS

**Technical papers:** Original, high-quality technical papers are solicited for review, presentation, and subsequent publication in the conference proceedings. Papers are max twelve pages long with single column format.

### IMPORTANT DATES

Paper submission	Jan 19, 2025
Acceptance notification (papers)	March 7, 2025
Camera-ready version	March 26, 2025
Conference Program Announced	April 9, 2025

### ORGANIZING COMMITTEE

General Chair: José L. Risco-Martín, Complutense University of Madrid, Madrid, Spain. Vice-General Chair: Ghaith Rabadi, School of Modeling, University of Central Florida, Orlando, FL. Program Co-Chairs: Deniz Cetinkaya, Bournemouth University, Bournemouth, United Kingdom. Román Cárdenas, Polytechnic University of Madrid, Madrid, Spain
