# Sponsor and Exhibitor Guide

---

*The 2025 ANNSIM Conference will provide opportunities to network with the modeling and simulation community and display your agency, business, or organization.*

Complutense University of Madrid

Madrid, Spain

May 26-29, 2025

---

The 2025 Annual Modeling and Simulation Conference will engage attendees in presentations, workshops, tutorials, and networking for four days in May at Complutense University of Madrid, Madrid, Spain. We expect more than 150 professors, scientists, managers, students, and professionals to attend. We will also offer a mobile/virtual platform to expand audience reach for sponsors and exhibitors.

ANNSIM is a unique opportunity to

- Connect with an international audience
- Share information and develop new relationships
- Gain support for your agency or organization

We offer several sponsorship levels to meet your needs, including in-kind contributions or sponsorship of certain events or activities (e.g., receptions, entertainment, and scholarships).

University of Complutense, Madrid, Spain

If you would like to discuss benefits or create a customized sponsorship package, please email SCS Administration at [scs@scs.org](mailto:scs@scs.org).

## Customized Sponsorship and Exhibitor Packages

We can create customized packages to sponsor or Exhibit at ANNSIM '25. Activities such as:

- Registration scholarships for those needing financial assistance to attend
- Welcome reception
- Student social
- Networking break
- Workshop

For custom packages, we will estimate the cost and select benefits according to your preferences.

## Exhibitor Information

- The exhibit hall will be open May 26-29, 2025.
- Subletting or sharing spaces is not permitted.
- Booths include a 6' skirted table, pipe and drape background, two chairs, and a sign. Additional furniture and power are available for an additional charge.
- Set up, take down, and booth staffing are the responsibility of the exhibitor.
- Exhibitors will be sent information about shipping, set up, and break down. Material handling is the responsibility of the exhibitor.
- Booths should be staffed during breaks and receptions.
